

Performer: _____

Hour: _____

Picture It!

Assignment: For this assignment you must perform by yourself. Select a picture with at least one person in the frame. Using the “Given Circumstances” provided in the photograph, develop a character, conflict, and environment. As this character, you will perform a 1-2 minute scene leading up to the moment portrayed in the picture. At the end of the scene, freeze your body in the same pose as your character in the picture; thus indicating the end of your performance.

Objective: Student will be able to demonstrate elements of characterization, conflict, and environment in a 1-2 minute performance.
