

Technical Theatre General Rubric

Jason Robert LeClair

	Exceeded Expectations 10	Meets Expectations 9	Approaching Expectations 7-8	Needs Improvement 5-6
1	<ul style="list-style-type: none"> Design/product has been thoroughly conceptualized and documented. Each stage of the work has been recorded, photographed, and/or otherwise documented in an orderly and succinctly. The documentation was handed in on or before the deadline. 	<ul style="list-style-type: none"> Design/product has been conceptualized and documented. Each stage of the work has been recorded, photographed, and/or otherwise documented. The documentation was handed in on or before the deadline. 	<ul style="list-style-type: none"> Design/product has been conceptualized and documented. Most stages of the work have been recorded, photographed, and/or otherwise documented. The documentation was handed in on or before the deadline. 	Design/product has been somewhat conceptualized and documented. Very few stages of the work have been recorded, photographed, and/or otherwise documented. The documentation was handed in after the deadline.
2	<ul style="list-style-type: none"> The craft level of the final product AND the documentation is neat, tidy, and presented in a professional manner in line with the project. 	<ul style="list-style-type: none"> The craft level of the final product is neat, tidy, and presented in a professional manner in line with the project. 	<ul style="list-style-type: none"> The craft level of the final product is in need of some touch up, and presented in a manner in line with the project. 	The craft level of the final product needs much more consideration, and presented in a way not in line with the project.
3	<ul style="list-style-type: none"> Final product exceeds assignment expectations and creatively individualizes the finished product. Changes and alterations through creative problem solving and peer/instructor input are present. 	<ul style="list-style-type: none"> Final product meets assignment expectations. Changes and alterations through peer/instructor input are present. 	<ul style="list-style-type: none"> Final product vaguely fits the context of the assignment and/or script for which it was made. Changes and alterations through peer/instructor input are somewhat present. 	<ul style="list-style-type: none"> Final product needs work to fit into the context of the assignment and/or script for which it was made. Changes and alterations through peer/instructor input are not clearly present.
